**“Do not believe in anything simply
because you have heard it.
Do not believe in anything simply
because it is spoken and rumored by many.
Do not believe in anything simply
because it is found written in your religious books.
Do not believe in anything merely
on the authority of your teachers and elders.
Do not believe in traditions because
they have been handed down for many generations.
But after observation and analysis,
when you find that anything agrees
with reason and is conducive to the good
and benefit of one and all,
then accept it and live up to it.”**

— Buddha  common

KOSOVO SUMMER YOUTH LEADERSHIP ACADEMY: **GROUP LEADERSHIP PROJECT**

The goal of this project is to _____

This reason this project matters is _____

Start
Here and then go to the left
and to the right.

Resources and Partners	Inputs	Activities	Results	Targets and Measuring
Who needs to help and in what way? (Examples: schools, businesses, friends, parents.)	What you need to do the activities. (Examples: participants, staff, volunteers, materials, equipment, money)	How you will do it. What are the actions that are required to achieve the result? Who does those actions, and how much time and effort do the activities take?	What you want to achieve. What are the benefits, changes or improvements that will result from your activities? (Examples: We want to remove the ugly graffiti from the town center. We want to start a youth football league in our town.)	How you will know you made it happen. This is about analysis and proving that you have accomplished the results you want. Is the result sustainable? Will more activities be needed to keep the result happening? (Examples: The football league has 6 full teams by June 2010. All teams play five games and a playoff.)
School permission, teacher to partner with local businesses to sponsor club	Time of group members, students, poster materials, phones to contact club leaders.	Two hours per week for all group members. Two weeks to create and put up posters in all high schools in municipality across club leaders, cross club charter.	We want to start a popular Environment Club in every high school in our municipality. The clubs should focus on 1) promoting awareness and 2) picking up rubbish.	18 high schools have Environment Clubs by 2010. Each club has at least 15 members. Each club meets at least 2 times per month. At least two clubs have organized and done a rubbish cleaning project.

COMMUNITY

"We are all longing to go home to some place we have never been.
A place half-remembered and half-envisioned that we can only catch glimpses of from time to time.
Somewhere there are people to whom we can speak with passion
without having the words catch in our throats.
Somewhere a circle of friends will open to receive us,
eyes will light up as we enter, voices will celebrate with us whenever we come into our own power.
Community means strength that joins our strength to do the work that needs to be done.
Arms to hold us when we falter.
A circle of healing. Someplace where we can be free."
— Starhawk
